

## Proposal Details

|                              |  |
|------------------------------|--|
| Proposal Name                | 100625913  |
| Proposal Description         | Erection of three wind turbines (to a maximum blade tip of 149.9m) with erection of sub-station/control building and formation of access tracks. |
| Address                      |  |
| Local Authority              | East Renfrewshire Council  |
| Application Online Reference | 100625913-001  |

## Application Status

|                          |          |      |
|--------------------------|----------|------|
| Location Plan            | complete |      |
| Form                     | complete |      |
| Main Details             | complete |      |
| Certificate of Ownership | complete |      |
| Checklist                | complete |      |
| Declaration              | complete |      |
| Supporting Documentation | complete |      |
| Email Notification       | complete |      |
| Fee                      | complete | 0.00 |
| Payment Method           | complete |      |
